Aubrey Thorne Carey

Aubrey Thorne Carey has had several interesting careers. She's currently a transformative life coach, evolutionary astrologer, and feng shui interior designer with a passion for understanding soul paths. Previously, she was an acupuncturist and an actor. She lived in Vero until she was 11 and then moved to California, eventually living in Los Angeles for 27 years before moving back here full-time last year. Like many, she'd read about Impact 100 in Vero Beach Magazine and was encouraged to join her friend Leslie Bergstrom. She joined to do something philanthropic locally and to meet new people. She is a member of Quail Valley.

Dawn Hagood

Dawn Hagood is a native Californian and spent most of her adult life in Duxbury, Massachusetts. She attended the University of Colorado at Boulder and graduated with a BA in English. She has been in Vero for three years, spending summers in Duxbury. Dawn is the global leader of vendor management for Dun & Bradstreet. She and her husband are members of Johns Island Club and the Duxbury Yacht Club. Elizabeth Van Dyk introduced her to Impact 100, and she joined because she felt the organization's mission is clear, thorough in its vetting of grant award winners, and supportive of their success.

Jeanne Tyson

Jeanne Tyson was born in Newton, MA, and as a service brat, lived and studied all over the world. She graduated from Michigan State with a degree in special education. After teaching emotionally disturbed children, she went on to build both an interior design business and a promotional business in Miami. If you needed people to demonstrate gourmet electronics, Jeanne was who you called. She and her husband bought property in Vero in 1990 and have been living between here and Miami for the past 16 years. They are members of the Vero Beach and Pelican Island Yacht Clubs and involved with McKee Gardens and Riverside Theater as well as the bromeliad and orchid societies. Jeanne read about Impact 100 in 32963 and was looking for a way to get more involved. When three of her friends decided to join, she felt Impact 100 would provide her an opportunity "to do, not just give."

Stacey Lewis

Stacey Lewis may be a familiar face to any of you who may have seen her on Broadway. She lived in NYC and worked as an actress in Broadway musicals for 18 years. Stacey grew up in Oklahoma City and attended Oklahoma City University, graduating with a Bachelor of Music in vocal performance. She and her husband have been coming to Vero since 1988 and spend their summers in Connecticut. They are members of the Windsor Club. We have her friend Leslie Bergstrom to thank for bringing her into the Impact 100 fold. Stacey joined because she believes it is essential to support local charities, and she appreciates the research we do in order to find the best projects to fund.
