Lynn Byrnes

Lynn Byrnes has had an interesting career path, from LA to New York before retiring to Vero Beach. Lynn has a BS degree in music composition and an MBA. In the 80's, she worked as a composer and songwriter in LA. She then got a “real job” at PepsiCo in 1994, where she retired in 2018 as senior manager of application development, running North America’s beverage and fountain businesses. Inspired by volunteering and donating to charities her whole life, Lynn was invited by her friend and former board member, Barbara DiMarzo, to join Impact 100 in September 2020, where she served on grant panels each year and was Grants Chair for 2023/24. Lynn looks forward to working with all the wonderful philanthropic women in Impact 100 and local nonprofits who do so much to help Indian River County communities thrive. As a new board member, she will share her time and talents toward delivering Impact 100’s core values and its mission.
